SUMMARY

Aspiring Frontend Web Developer seeking to leverage hands-on internship experience at Technohacks EduTech Official. Proficient in HTML, CSS, JavaScript, and modern frameworks like Tailwind CSS and Bootstrap, with demonstrated skills in version control using Git and GitHub.

EXPERIENCE

Frontend Web Developer

Technohacks Edutech Official   **June 2024 - July 2024, Remote**

- Completed a one-month internship focused on frontend web development.
- Gained hands-on experience with HTML, CSS, and JavaScript, creating and styling web pages.
- Developed proficiency in version control using Git and GitHub for tracking changes and collaborating on projects.
- Enhanced problem-solving abilities and learned best practices for code organization and project management.

PROJECTS

Responsive Portfolio Website

sumit-kumarr.github.io/portfolio/ • January 2024 - March 2024

- Developed a responsive portfolio website using HTML, CSS, and JavaScript, ensuring compatibility across various devices and screen sizes.
- Implemented interactive features and dynamic content to showcase projects and skills effectively.
- Designed a clean, modern interface with intuitive navigation for an enhanced user experience.

Youtube Clone

July 2024 -August 2024

- Developed a YouTube clone using HTML, CSS, and JavaScript to practice and enhance my web development skills.
- This project includes a user interface similar to YouTube, featuring video playback, a search bar, and a sidebar with video recommendations.
- This project helped me deepen my understanding of front-end technologies and improve my ability to build dynamic, interactive web pages.

Simple Quotes Generator

June 2024 - July 2024

- Simple and elegant quotes generator, developed using HTML, CSS, and JavaScript.
- It leverages a public API to fetch and display a variety of inspiring quotes to the user.
- Enhanced the simple quotes Generator with dynamic API calls.
